

Dear Valued Customer

August 2020

IAI America Inc.  
Sales Division

### Notice for Discontinuation of SS Series

Thank you for your continued support of IAI Corporation.

We appreciate your loyal patronage towards the SS series over the years.

Unfortunately, we decided to discontinue the SS series since it is difficult to maintain the die, etc., and the order quantity has decreased lately.

We will discontinue the sales in February 2021.

We apologize for any inconvenience that this may cause you, and we are appreciative of your understanding in this matter.

Best Regards

#### Details

- |                               |  |
|-------------------------------|--|
| 1. Applicable Models:         | Following SS/SSCR models <ul style="list-style-type: none"><li>• SS-S, SS-M-100, SS-M-150</li><li>• SSCR-S, SSCR-M-100, SSCR-M-150</li></ul>   |
| 2. Reason of Discontinuation: | The SS series was released in 1998. The base design has not changed since the release. The order quantity has decreased lately, which makes it difficult to maintain the equipment including the die. Accordingly, we decided to discontinue the production. |
| 3. Order Cutoff Date:         | February 26, 2021  |
| 4. End of Service Period      | February 26, 2031<br>However, we may stop servicing once we are out of the parts in stock for the discontinued products prior to the end of service period.  |
